QUALITY & EFFICIENCY

- Our products are compliant with the EN 14476:2013+A2:2019 standard (vaccinia, viruses) and other reference standards*.
- Virucidal, bactericidal, fungicidal and yeasticidal efficacy demonstrated in accordance with the applicable standards: details available on the product data sheets.
- Wide antimicrobial spectrum.
- Assembler but also manufacturer : SEQENS is the only French producer of Isopropanol, a major ingredient of the hydroalcoholic solution gel, a real guarantee of traceability.

* Technical data sheets on request

DELIVERY

- The standard delivery time is less than 8 days, it may vary according to the type of packaging and the quantity required.
- We organize the transport for you via an approved carrier for dangerous goods.

COMPLEMENTARY SERVICES

■ Provision of automatic distribution terminals

- Adaptable to high-traffic areas
- Compatible with Naaha solutions and packaging
- Ergonomic and customizable
- Very easy to use and refill

■ CLEANPIX Kit

- Surface hygiene control kit
- Sold as a box: 30 tests per box
- Advantages: Fast response time, no additional equipment or training required
- Recommended uses: health establishments, transport, restaurants, food processing industries, hotels, etc.

Thanks to their tap, our IBCs can be used as a fountain in a storage area to fill smaller containers.

Our convenient drums can be equipped with a tap or a pump (5 L), allowing them to be used as a fountain to fill smaller containers, or for direct use of the product.

With **NAAHA by Seqens**, secure your supplies by choosing an integrated player and true traceability.

Our manufacturing processes meet the highest standards and our products guarantee consumers and users: quality, safety and respect for the environment.

With **NAAHA by Seqens**, you are in good hands!

About SEQENS:

Seqens is a global leader in pharmaceutical synthesis and specialty ingredients.

With 24 production sites and 3 R&D centers in Europe, North America and Asia, Seqens develops tailor-made solutions and ingredients for the most demanding industries such as healthcare, electronics, cosmetics, food and home care. Driven by a culture of excellence and a strong entrepreneurial spirit, our 3,200 employees are committed to providing our customers with the highest level of service and quality while acting ethically in accordance with our Corporate Social Responsibility program.
